** NMI(s) will be on the front page of the electricity bill. Depending on the metering arrangements, there could be several NMIs on the bill.

Section 3	Proprietor's Declaration
I hereby certify that: <ul style="list-style-type: none"> The claimants on whose behalf the Queensland Government Energy Rebate for Small Businesses 2023-24 is claimed, were occupants of the above premises for the period of the account on which the payment is claimed and have been charged separately for this electricity supply; All payments claimed will be passed on to the claimants by way of reduction in charges for electricity in accordance with my 'deemed' or 'registered' retail exemption conditions with the Australian Energy Regulator; Customers will receive the full benefit of the rebate (i.e., not diminished by for example, GST calculations on the bill). For customers whose bills are in credit, application of the Rebate means that these customers will have the \$650 credit carried over to their next bill, and any subsequent bills until they are no longer in credit; and This claim is a true and correct assessment of the total number of small businesses for which the Queensland Government Energy Rebate 2023-24 is claimed and the amount relating thereto. I consent to the Electricity Retailer passing on information to the Department of Families, Seniors, Disability Services and Child Safety and the Department of Customer Service, Open Data and Small and Family Business (Digital Customer - Smart Service Queensland) to enable payments for the Queensland Government Energy Rebate 2023-24.
